MAYOR JOHN GRAY

December 2, 2008

To Whom It May Concern:

The Islamic Centre of Oshawa (ICO) is a community-based organization which was established in 1979. The organization welcomes people from diverse ethnic, cultural and socio-economic classes.

The ICO is hoping to establish a new mosque in the City of Oshawa to meet the needs of its expanding community. As such, they are dependant on community assistance in order to complete this project.

I have been in dialogue with members of the ICO and can understand their desire to build a new facility to accommodate a large and expanding membership.

Should you have any questions, please do not hesitate to contact my office.

Yours truly,

John Gray
Mayor
